Dear Public Service Commission,

My name is Treneko Bright, I'm writing this letter to request a suspension with my transportation business. The reason I'm requesting this suspension is because I was just evicted from my home and since the start of COVID-19 i've lost tons of hours from my job. These two events have caused drastic changes in my life because I have to take care of my family(of 4), we're barely making it financially. With everything that's going on with me both mentally and emotionally it's been really hard. With that being said I would like to extend my suspension from November 1st, 2020 to November 1st, 2021.

Thanks,

Ms. Bright
